

GUIDELINES AND EXPECTATIONS FOR HORATIO ALGER SCHOLARSHIP RECIPIENTS

HORATIO ALGER HIGH POINT UNIVERSITY SCHOLAR

You should follow the guidelines below in order to remain in good standing with the Association and receive your full scholarship disbursement each year.

College Success Program (CSP) Requirement

- Scholars must participate in the Association's College Success Program (CSP). This includes completing weekly online assignments, meeting with your Cohort Coordinator, and attending a mandatory Zoom orientation. The Association cares deeply about its Scholars, and we want to make sure Scholars have the resources they need to be successful at college/university.
- Curriculum consists of modules addressing the following topics:
 - Time management in college/university
 - Taking care of health and wellness
 - Paying for college and financial literacy
 - Getting involved and finding community at your school
- **Participation is mandatory** and will be required from mid-June until the end of July, before the start of your first year of college. More information on the College Success Program (CSP) will be forthcoming.

College or University Selection

- **Scholars must be admitted to and attend High Point University** on a full-time basis and pursue an uninterrupted course leading to an undergraduate bachelor's degree.
- Scholarship funds are not permitted to be used at any other institution.

Financial Need

- Scholars must prove Pell eligibility prior to receiving their first disbursement (based on SAI reported on the FAFSA Submission Summary).
- Each year Scholars are required to submit their financial aid award letter reflecting all institutional aid and outside scholarship awards. Disbursement of funds will not exceed your total Cost of Attendance.

Enrollment

- Scholars must begin college in the fall semester following receipt of this award.
- Scholars must be enrolled as full-time students for two of three semesters (three of four quarters) throughout each academic year (August through the following July).

Credit Hours and Sufficient Academic Progress

- Most Scholars will earn 24-30 credit hours (36-45 quarter system credit hours) per academic year. Each Scholar must earn a minimum of 24 credit hours (36 quarter system credit hours) in each academic year to remain eligible for the following year's disbursement.
- Scholars must remain in good academic standing as determined by High Point University and make sufficient progress toward their degree.

GPA Requirement

- To be eligible to request for scholarship funds each year, Scholars must maintain an overall GPA of at least a 2.0.
- Should you fall below a 2.0 cumulative GPA, please contact the Association to let us know of any extenuating circumstances.

GUIDELINES AND EXPECTATIONS FOR HORATIO ALGER SCHOLARSHIP RECIPIENTS

HORATIO ALGER HIGH POINT UNIVERSITY SCHOLAR

- Disbursements are subject to review should credit hours and/or GPA requirements not be met.

Scholarship Award Payment Guidelines

- All disbursements are based on credit hours earned each year. Under no circumstances will you be able to request the full scholarship award at once.
- Scholars must submit a request each year to remain in Good Standing with the Association, even if the scholar is fully funded for that year.
- The scholarship disbursement is set up over a five (5) year period; however, if you plan to graduate in less than five years you will be eligible to receive your full remaining scholarship balance in the fall or spring semester of your final year.
- The scholarship will be disbursed throughout your undergraduate years according to the tables shown below.
- The Horatio Alger Scholarship is to be used for any education-related costs calculated as part of your school's cost of attendance assessment.
- Funds will be sent directly to your postsecondary institution. Under no circumstances do we send funds directly to scholars' personal bank accounts.
- This award is only valid for up to 6 years from the time of awarding, after which, any remaining balance will be returned to the Association.

Deadlines for Scholarship Disbursement (May 1 – June 30)

In order to remain in good standing and avoid probation and possible forfeiture, you must complete a disbursement request before June 30 of each year.

May 1 Disbursement information is sent to all Scholars via email and the status of the request is available online by logging into your Scholar's account at horatioalger.org

June 30 All online disbursement requests, financial aid documents, and transcripts are due. Any Scholar who does not meet this deadline is subject to probation or forfeiture of the remaining funds in their account.

Probation and Forfeiture Policies

Probation

- You will be placed on probation for the period of one year if you do not follow all of the guidelines and expectations of the Association (i.e. requesting for scholarship funds each year, attending High Point University, etc.).
- If by the end of the probationary year you do not meet the guidelines and expectations as outlined, the scholarship will be reviewed for an extended probation or forfeiture of remaining funds.

Avoiding probation can be easily accomplished by doing the following throughout your undergraduate career:

- Read and comply with the stated guidelines for enrollment and attendance
- Meet the deadlines to complete your disbursement request by June 30 of each year
- Keep your contact information updated with the Association to ensure you receive our communication reminders to request for funds
- Communicate with the Association in advance if there is a problem obtaining a transcript or financial aid information by the deadline or if you are unable to submit a request for funds by June 30.

GUIDELINES AND EXPECTATIONS FOR HORATIO ALGER SCHOLARSHIP RECIPIENTS

HORATIO ALGER HIGH POINT UNIVERSITY SCHOLAR

Forfeiture

Types of Forfeiture

Grounds for forfeiture can result from any of the following which violate the Association's standards:

- Failure to complete the College Success Program (CSP) requirement
- Insufficient academic standing or progress
- Being placed on probation twice will result in forfeiture in the third year if there is no communication with the Association
- Not attending High Point University
- Actions that violate federal, state, or local statutes
- Any other actions that reflect poorly on or that may damage the name or goodwill of the Horatio Alger Association

Forfeiture process for insufficient progress/no contact

- If after being placed on probation two times during your undergraduate career, the third time will result in forfeiture unless you submit a copy of your transcript to verify your enrollment in a degree program that meets your scholarship guidelines (see the college/university selection section above for more information).
- In cases of extreme hardship, the Association may extend the probationary period. In such cases, we ask that you have personal contact with us so that we have the opportunity to help you to overcome the present adversity. Ultimately, if the situation cannot be satisfactorily resolved, you will forfeit the remaining portion of the scholarship.

Forfeiture process for misconduct

- If you, in the opinion of the Association, are determined to have acted in a manner inconsistent with the Association's standards, you shall immediately forfeit the full amount or any remaining portion of the scholarship.

Horatio Alger Scholar Responsibilities

Keep contact information current

- You are responsible for updating any change in your contact information. Please let the Association know of changes as soon as possible by sending an email to scholar@horatioalger.org.
- This is very important as we send out reminder emails about disbursements and opportunities available to you as a Scholar. Failure to keep your information updated will result in communications from the Association not reaching you.
- Please add the email address success@horatioalger.org to your list of safe senders, as we will use this address to send information about your College Success Program (CSP) requirements.

Meet scholarship disbursement guidelines and deadlines

- Each year, you are responsible for notifying the Association where you will be enrolled in school. This is done by requesting scholarship funds online each year May 1 – June 30 and submitting a copy of your college transcript (after your first year of college).

Track your disbursement requests each year

- You are responsible for logging into your scholar portal account to track the status of your disbursement and to ensure that payments are received by your institution.

GUIDELINES AND EXPECTATIONS FOR HORATIO ALGER SCHOLARSHIP RECIPIENTS

HORATIO ALGER HIGH POINT UNIVERSITY SCHOLAR

- It is your responsibility to send an approved copy of your transcript to the Association when making a disbursement request. Transcripts can be tracked under your scholar's login to make sure they are received and approved.

Notify the Association about special circumstances

- Should there be a change in your enrollment due to medical leave, serving on a mission, military deployment, etc. please contact the Association as soon as possible so we can hold your scholarship funds until you return. If the Association is not notified, your scholarship may be forfeited.
- If for any reason, you fall behind in your studies or have any extenuating circumstances that prevent you from being enrolled in school, you are responsible for contacting the Association. Our goal is to work with you to ensure you complete your bachelor's degree but we cannot do so if we lose contact with you.

Communication with your financial aid office

- You are responsible for reporting your scholarship to your financial aid office and communicating with them regarding your scholarship funds.
- If you have payment deadlines that the Horatio Alger Association will not be able to meet, we encourage you to contact your financial aid office to delay payment.

Successful completion of the College Success Program

- In order to access your scholarship and receive disbursements each year, you are required to complete Horatio Alger's College Success Program in its entirety. You will participate in this programming during the summer after your senior year of high school. You must attend and participate in one **live virtual session over the summer**, as well as complete weekly asynchronous assignments. The program will run from mid-June until the end of July, before the start of your first year of college. Failure to complete the College Success Program will result in the inability to access your scholarship and possible forfeiture.

Transferring Schools

- If a Scholar decides to transfer schools at any point, it is the responsibility of the student to contact the financial aid office at High Point University to request that any unused Horatio Alger scholarship funds be returned back to the Association. By transferring from High Point University, the Scholar recognizes he/she is forfeiting the entire remainder of their scholarship.

What You Can Expect from the Association

Commitment

- Our goals are to help support and ensure success in your collegiate career, to help prepare you for a successful life that contributes back to society, and to develop a life-long affiliation with you.

Communication

- As long as your contact information is up-to-date with us, you can expect to receive email and text correspondence regarding your scholarship and updates on opportunities available to you as a Horatio Alger Scholar such as such as online education programs, networking and ComPsych – a student support service.

Lifetime affiliation through the Alumni Association

- Once you successfully graduate with a bachelor's degree, you will then become part of the Horatio Alger Alumni Association through which you will have the opportunity to participate in and benefit from various services and activities.
